HUDA PHYSICS REVIEW
August 2007

* DUE TO INCREASED DEMAND, WE ARE NOW OFFERING 2 LOCATIONS *

** COURSE DESCRIPTION **

Huda Physics Review will cover essential issues relating to the formation of radiological images for all imaging modalities. Factors that affect image quality and patient safety will be emphasized. Radiological images will be used to explain underlying physics principles. Didactic sessions are supplemented with representative examination-style questions. Dr Huda will be available at the end of each day’s sessions for questions.
